

Claremont Hills Contemporary with Sweeping Canyon and Bay Views

High-end home with sophisticated modern details on a quiet cul-de-sac complete with huge outdoor entertainment space

This contemporary residence is nestled at the end of a private cul-de-sac at the very top of the Claremont Hills, near popular and scenic Tilden Park. A beautiful home that is warm and intimate, with an elegant and open floor plan and expansive views. Custom built in 1994 and recently upgraded with exquisite finishes, it has 4 bedrooms, 3.5 baths and approx. 3,000 s/f, including a large family/media/Au Pair suite. It also boasts a huge, multi-level deck and garden ideal for outdoor entertainment. Unlike many homes in the hills, it has no steps to the entrance and has two level drive-ways leading to dual "his/her" garages. This exclusive home offers a private, secluded setting just minutes from the Rockridge and Claremont/Elmwood shopping districts, with easy access to highways 24, 13 and BART.
